

# March Exhibitor Newsletter

Next newsletter: Week of April 1

## IMPORTANT UPDATE

In the next few weeks, the Exhibitor Dashboard will be transitioning to an Exhibitor Resource Center (ERC) with a new layout and more secure log in process. The Primary Contact will be tasked with adding users as needed. Each contact will use their own email address and establish a unique password, instead of sharing one company password.

Primary Contacts will receive an email with instructions on how to establish an account.
