Alexandria, VA 22314-1994

RE: Water Environment Federation Annual WEFTEC Conference to be held September 29 – October 3, 2018 in New Orleans.

Dear Mr. Jones:

The Department has reviewed your request for continuing education hours as provided for in Title 197, *Rules and Regulations for the Certification of Wastewater Treatment Operators in Nebraska*.

A Nebraska certified wastewater operator could earn a maximum of 30.00 continuing education hours for their attendance at the 2018 WEFTEC Conference to be held September 29 – October 3 in New Orleans. Approved hours are as follows:

Session Type:	Approved Hours:
Opening General Session	1.50
Workshops	18.00
Technical Sessions	16.50
Facility Tours	9.50
Operators Challenge	12.00

Again, due to the overlapping sessions, the maximum number of approved hours is 30.00. We appreciate your efforts to provide quality continuing education to Nebraska wastewater operators. As a reminder, please forward a list of Nebraska attendees within 30 days of the conference. Do not hesitate to contact me if you have any questions.

Sincerely,

Mike McBride
