Approval Details:

The Florida DEP has tasked the Florida Water Environment Federation with approving all WEF courses and events for continuing education. The FWEA is also in charge of reporting the credits for these events for Wastewater Operators to the Florida DEP.

The Florida Water Environment Federation has approved WEFTEC 2017® for continuing education credits.

- Operators attending WEFTEC can submit their certificates and transcripts issued for WEFTEC attendance to FWEA. The FWEA will report those credits to the FDEP on behalf of the operator. Any inquiries into the procedure can be directed to Kenny Blanton or Karen Wallace – Admin@fwea.org
- Engineer's obtaining PDH certificates will retain those certificates for their own records. Engineer will self-report continuing education to the Florida Board of Professional Engineers upon license renewal.
