RE: Review of Individual Course Approval for CECs

Dear Mr. Jones:

Thank you for completing the individual training request forms and submitting them for review and approval. I am pleased to inform you that the “WEFTEC 2017 90<sup>th</sup> Annual Technical Exhibition and Conference” training to be held September 30 – October 4, 2017, in Chicago, Illinois has been approved for continuing education credits (CECs) for water and wastewater.

Thank you for providing training opportunities for our Montana operators. When the conference is over and there has been time to generate a Montana specific list of attendees, please provide our office with the information.

Should you have any questions or need further information, please contact me at (406) 444-3434.

Sincerely,
