State Approval Details:

The South Carolina Environmental Certification Board does not pre-approve continuing education courses. It will be the responsibility of the licensee to take courses relevant to their licensure type(s), and to maintain the documentation in case they're selected for a random CE audit.

Continuing education guidelines are available on the SC Certification Board website at:
<http://www.llr.sc.gov/POL/environmental/index.asp?file=ECONTED.HTM>
