## Approval Details:

The New York Water Environment Association (NYWEA) has recently taken over the approval process from the New York State DEC and has approved WEFTEC 2019® for Renewal Training Credit hours for operators.

Attendees are required to submit copies of their certificate and transcript directly to the state. Operators and Engineers should also supply WEF with their State License Number during or following the conference.

WEF is also required to submit a copy of the detailed attendee list of participants from New York after each conference.

**\*Course Approval Number coming soon.**
