Schedule

Welcome to the Speaker Portal!

In this portal, you have access to speaker resources, up to date WEFTEC information, and your personal speaker ready room where you can view all of your speaking engagements. NEW for 2021! If you have been assigned to a technical session, while reviewing your session information view your session details by clicking your session title found after "Presented During". Here you will find valuable information such as your session guide and goals.

Instruction packets based on your role at WEFTEC have been provided below. Please download the form that corresponds with the roles assigned to you. To see which role you have been assigned, look below at your presentation information. More information on roles and the speaker ready room is available when you download the [Speaker Ready Room Guide](#).

If at any time you need to withdraw a paper and/or presentation from WEFTEC, email speakers@wef.org with the author/speaker name, presentation title, and the session information (title, time, and number).

Before you begin to complete your assigned requirement in the speaker portal, download and review your instruction packet. Each packet contains upcoming deadlines with detailed instructions to help guide you through the process of fulfilling your role at WEFTEC 2021. These instruction packets are also available for download at www.weftec.org/PresenterInformation.

Not all steps in the process will be open at all times, so be sure to pay close attention to the dates and roles for each step.

Water Justice: How We Improve Water Equity

Wed, 10/20: 11:00 AM - 12:30 PM

Interactive Technical Session

90

McCormick Place

Session Number: FIS04

The three main focuses of this session will be identifying, acknowledging, and finding solutions to inequity. Attendees are encouraged to attend this session where they will hear different experiences and success stories surrounding dealing with water inequity. There will also be an opportunity during short discussion breaks to share personal challenges and knowledge.

[Session Guide](#)

PEER-TO-PEER DISCUSSION

Each speaker will have 10-minutes to give their presentation followed by a discussion break from the audience inviting questions and comments. Short presentations with high engagement is the goal of this session in order to help the attendees figure out which solution is best to take back to their utility/organization.

[Session Goals](#)

At the end of this session, participants will be able to (1) discuss the importance of having and using the outlook of diverse staff members to identify areas of inequity, (2) acknowledge and spread awareness of inequity issues, and (3) find solutions to inequity within your service area.
