NOTICE OF WITHDRAWAL

If at any time while looking over this document you realize you cannot fully commit your time to being an effective moderator, please reach out to WEF staff at speakers@wef.org letting us know you need a replacement.

CONFIRMATION OF PARTICIPATION

The first thing you will be asked to do after logging into the speaker portal is to confirm your participation in WEFTEC.

You will be asked to confirm for every role that has been assigned to you. For example, if you are speaking in one session and moderating another you will be asked to confirm both. This applies to those speaking in multiple sessions as well.

Confirmation of Participation is due by May 22nd at 9:00AM Eastern in the speaker portal.

You will need to indicate whether or not you will serve as a moderator in-person at WEFTEC 2023.

There are no remote or virtual presentation options.

If you do not confirm by the May 22nd, we will assume you do not intend to participate in the session and you will be **withdrawn from the program.**

THE SPEAKER PORTAL

<https://ww3.aievolution.com/wef2301/>

All of the deadlines must be completed in the Speaker Portal. By now you should have received a notification providing you with your speaker portal log in information.

Logging into the Speaker Portal

WEF Members are required to use the WEF Member Login option.

Non-WEF Members have been provided login credentials.

All of you have already been inputted into the system. Under no circumstances should you create a new profile. Creating a new profile could cause issues such as removing you from your presentation or session.

If you have not received an email with login instructions, contact speakers@wef.org immediately.

Contacting Session Participants

Starting with their acceptance into the program and leading up to WEFTEC, speakers have many responsibilities to fulfill. As a moderator, familiarizing yourself with your speaker's timeline will be beneficial. **Be sure to keep up with this timeline and contact your speakers when necessary.**

SCHEDULING SESSION PREP CALLS

Time to discuss your session with all of your speakers and moderators. Prepare for your session by scheduling a zoom, teams, etc. call where you can go over the session agenda, discuss how the session will run, and predetermine what presentation slides should cover to avoid overlap.

Contact WEF Staff if you would like assistance with scheduling and setting up session calls.

DRAFT PRESENTATION UPLOAD

All speakers are required to upload a draft of the PowerPoint presentation to the speaker portal by September 25th. As moderators your responsibility will be to log into the speaker portal and review each speaker's presentation. For the session to flow as smoothly as possible, please ensure the following:

1. There is minimal **overlap** between each of the speakers' slides.
2. The number of slides is **consistent** with presentation time length.
Example: There should not be 50 slides for a 10-minute presentation.
3. **Company/organization logos** should **only** be on the first and last slides.

So that WEF may continue to offer Continuing Education credits for the Technical Program, it is our policy that logos should not be used in presentations at WEF Conferences. If it is your employer's policy to use the logo in presentations, placement may be on the first and last slide only. This means **no logos** may be used on any slides other than the first and last slide!

- Slides are not too crowded/busy.
- Text should be large enough for people in the back of the room to see.
- Images should not be blurry or grainy.
- Colors on the slide should consider those in the audience who may be visually impaired. Light text should be used for dark backgrounds and darker text for light backgrounds.

PRE-WEFTEC BRIEFING

Pre-WEFTEC Briefings provide you with a step-by-step of what to do when you arrive onsite in Chicago. For example, speakers will receive information on how to check-in and upload their final presentations while moderators will learn where to pick up the materials needed for their session such as speaker bios.

Attendance to at least one of the speaker briefings is mandatory. Use the provided links to register for one of the two options.

There will be no onsite briefings. If you would like to meet with your fellow session participants before your session, please visit the Speaker Prep Room where we will have tables available to you.
