NYS Sponsor # 93

Ms. Kabrea Tyler
601 Wythe St.
Alexandria, VA 22314-1994
Dear Kabrea Tyler:

I am pleased to inform you that the Water Environment Federation has been approved as a sponsor of continuing education for professional engineers in New York State for another three-year period.

This three-year renewal **covers 2/1/2026 and ends 1/31/2029**. If you intend to renew again, you will be required to submit a renewal application, along with the appropriate fee, prior to your expiration date. You will be sent a renewal notification approximately two months prior to the expiration date. If you discontinue operation of this continuing education program, please notify this office regarding maintenance of records.

Courses in project management related to maximizing profitability, marketing and public relations, business and/or personnel management, laws related to arbitration, mediation, liens, and limiting professional liability, real estate licensing, green build certificate preparation and examination, basic auto CAD, personal, financial or estate planning, zoning as it relates to maximizing profit and design-build/alternative delivery methods are not acceptable topics for continuing education. **Please be sure that your NYS Sponsor # 93 is displayed prominently on each certificate of completion you award.**

If you have any questions regarding this renewal approval, you may contact the Board Office using the information listed above.

Sincerely,

New York State Board for Engineering, Land Surveying & Geology
